SUMMARY

I am a fresher looking to work in a motivated environment where I can apply my knowledge in computer applications and programming with a background MCA. I possess skills in Python, JavaScript, and Java, as well as experience in developing web applications. I am eager to contribute to a dynamic team and further develop my technical expertise.

EDUCATION

MCA (Master of Computer Applications), *Kerala Technological University Kerala*
CGPA 8.02

08/2023 – 05/2025
Kerala

Bcom (Bachelor of Commerce), *Mahatma Gandhi University Kerala*
CGPA 7.22

08/2020 – 05/2023
Kerala

SKILLS

Technical Skills
JavaScript ,Python,
Mern Stack, SQLite

Soft Skills
Team Player, Good Listener

PROJECTS

Personal Finance Manager (MERN), *Tools Used: React, Css, Node.js, Express.js*   2025

Description: A finance tracking app with dashboard, income/expense management, and Special features like Smart Finance Guide, and EMI Calculator.
Purpose: Helps users plan budgets, track spending, and manage loans efficiently.

Autonomous Driving Assistance, *Tools used: Python numpy, CNN, Google Colab*   2025

Description: Using image processing with the help of Convolutional Neural Networks (CNN) to detect and recognize vehicles, lanes, and obstacles in real-time.
Purpose: Enhances autonomous driving assistance by providing reliable environment perception, enabling safer navigation and decision-making.

EV Charging Station Locator, *Tools Used: MongoDB, Express.js, React, Node.js*   2024

Description: A MERN stack web application that helps users find nearby EV charging stations with details such as location, availability, pricing, and charging type. The app provides real-time updates and route guidance, to improve user convenience.
Purpose: Designed to assist EV owners in quickly locating charging points, reducing range anxiety, and promoting sustainable transportation.

CERTIFICATION

- EY Edunet Employment Full Stack development in MERN Stack Certificate.
- Infosys Springboard Certificate For Web Development with Node.js, MongoDB and Express
- NPTEL Certificate For Cloud Computing (MOOC Course)
